Dear Chris,

Thank you for your quick reply. The STS2 instructions are perfect! However, I am having trouble with the size of the hang-tag. Please outline how we would need to change the dimensions of the template in order to present it appropriately and accurately to the customer. I have attached a sample die tool. My fax is 317-823-8948. Thanks!

CHRIS -

WE THINK THIS  
SLOT WILL WORK  
BEST. IF YOU WANT  
TO MAKE SAMPLES,  
WE CAN TEST THEM  
WITH THE TOOL.
